# Mission

Established in 1990, the Idaho Falls Arts Council is a private, non-profit organization that promotes and presents the visual and performing arts in eastern Idaho. The Arts Council owns and operates the Willard Arts Center, eastern Idaho's premier visual and performing arts center that contains two art galleries, conference/meeting rooms, classrooms and the historic 970 seat Colonial Theater.

The Arts Council offers a variety of art exhibits by national, regional and local artists; musical concerts, including free concerts along the Snake River; dramatic productions in the Colonial Theater; art classes and lectures for all ages; special events; the Snake River Roaring Youth Jam summer festival; and eastern Idaho's only arts periodical and events calendar.

Like most privately funded arts facilities, the Arts Council depends on tax-exempt donations from the public to keep our doors open. In this spirit, we hope you will become a member of the Idaho Falls Arts Council. As a member, you will have the satisfaction of knowing that you are supporting the Willard Arts Center and Colonial Theater and, by extension, the arts in eastern Idaho.
