Gangstagrass

April 4, 2025 | 7:30 PM | Colonial Theater

Prepare to have your musical expectations shattered as Gangstagrass, the groundbreaking multi-racial collective of musicians, takes the stage. This dynamic group defies genre limitations, blending country music and hip-hop in a way that is as innovative as it is soulful.

Gangstagrass brings together string pickers and MCs, creating a shared cultural space for dialogue and connection between folks that usually never intersect. The boundaries are gone and Gangstagrass is out there doing things nobody though would work. When you hear it you know, down in your soul, that it does work.

"Gangstagrass is more than just a fusion of styles." Says Brandi Newton, Executive Director of the Idaho Falls Arts Council "Their show is about connection. They remind us that creativity has no boundaries, and they bring people together in the most unexpected and powerful ways."

With their high-energy performances and seamless blend of banjo, beats, and bars, Gangstagrass proves that country and hip-hop are not opposites but rather two sides of the same American musical heritage.

Gangstagrass tickets are on sale now and are available on our website: idahofallsarts.org, or at our ticket office: 498 A Street, Idaho Falls, ID 83402
