***Not the Right Mom* Delivers a Hilarious, Heartfelt Look at Parenting a Child with Autism**

Parenting rarely goes according to plan, and *Not the Right Mom* takes that truth to a whole new level. In this bold, funny, and deeply human performance, actress Megan Doaln invites audiences into the unpredictable world of raising a child with autism, where expectations crumble, snack time becomes a battlefield, and unconditional love remains at the heart of it all.

Through razor-sharp storytelling and a performance filled with both fire and grace, Dolan explores the heartache, humor, and unexpected moments of connection that come with feeling like the odd one out. Blending laugh-out-loud moments with honest reflections on the challenges of parenting, *Not the Right Mom* offers a refreshing perspective on the pressure to get everything right-and the freedom that comes from embracing the messy, imperfect reality of family life.

More than just a comedy, *Not the Right Mom* is a heartfelt reminder that there is no single right way to be a parent. With wit, vulnerability, and a generous dose of humor, Dolan creates space for audiences to laugh, reflect, and feel a little less alone.

Whether you're a parent, a caregiver, or simply someone who has ever felt like you didn't quite fit the mold, *Not the Right Mom* delivers a powerful message wrapped in humor and humanity: sometimes, the most meaningful moments come when life doesn't look anything like you expected.
